

Absolute Traffic Solutions Limited is committed to providing the highest quality services to our clients. Our team is committed to their work and has a strong level of expertise to provide a superior range of services that achieve complete customer satisfaction.

We commit to continuously improve our Integrated Management System, planning and implementing the changes that may be necessary.

We will undertake all our activities in a highly responsible, professional, and competent manner and strive to continuously improve our performance towards an ultimate objective of maximum effectiveness and efficiency.

In doing so, we will comply with all relevant legislation, codes of practice, and regulations to continually improve our performance striving for excellence in service.

We foster and support a strong quality culture throughout our processes which allow employees to carry out their tasks with delivering quality services in mind.

To support these commitments, we have chosen to align our Quality Management System to conform to the requirements of the International Standard ISO 9001:2015.

We will continuously improve our Quality Management System, planning and implementing the changes that may be necessary.

Absolute Traffic Solutions Limited focuses on:

- Delivering a service that conforms to all contractual requirements specified by the customer.
- Conforming to all relevant standards and statutory regulations; and
- Continual customer satisfaction.

This policy shall be reviewed and made available to all employees, contractors, subcontractors, PCBU's and our customers.
